**Owners – Maverick-Ormond Beach**

it appears to me that the board is trying to get money from the insurance company, that is not really justified. usually, the legitimate claims are upheld & resolved, without litigation...not only are you losing money by hiring attorney's, you have lost revenue with the down time of the resort...are you really looking out for our best interest as owners???

**Econometrics Beat: Dave Giles' Blog: Dummies for Dummies**

Dummy variables are quite alluring when it comes to including them in regression models. However, they're rather special in certain ways. So, here are four things that your mother probably never taught you, but which will form the cornerstones of the forthcoming tome, Dummies for Dummies. Meanwhile, you keen users of dummy variables may want to keep them in mind.
