Its definition is thus to some extent one of historical convenience. **Process Philosophy: Via Idearum or Via Negativa ...** Nicholas Rescher’s way of understanding process philosophy reflects the ambitions of his own philosophical project and commits him to a conceptually ideal interpretation of process. Process becomes a transcendental idea of reflection that can always **Philosophy of history - Wikipedia** Philosophy of history is the philosophical study of history and the past. The term was coined by Voltaire. **Peter Melville Logan, “On Culture: Edward B. Tylor’s ...** Edward B. Tylor’s Primitive Culture articulates one of two major theories of culture to emerge around 1870. His theory defines culture in descriptive terms as the “complex whole” that makes up social ideas and institutions, and in this it helped to establish anthropology as a recognized science. **Philosophy of artificial intelligence - Wikipedia** Artificial intelligence has close connections with philosophy because both share several concepts and these include intelligence, action, consciousness, epistemology, and even free will. Furthermore, the technology is concerned with the creation of artificial animals or artificial people (or, at least, artificial creatures) so the discipline is of considerable interest to philosophers. **Creativity, Thinking Skills, Critical Thinking, Problem ...** Dartmouth Writing Program support materials - including development of argument .
